# Collaboration Periods

- Most Wednesdays begin with a Collaboration Period (Collab) which runs from 8:20am to 9:25am. In this case, first class begins at 9:35am.
- Students are required to attend all Collaboration Periods scheduled for their year level. If a student will be absent from a Collaboration Period, all of the school's normal attendance policies apply.
- If a student's year level is not involved in a particular date's Collaboration Period, he can arrive before the day's first class period (9:35am), schedule personal off campus appointments, or use defined areas of campus (e.g. Harris Center and the King Library).

# Community Periods

- The Community Period (Comm) is intended to provide dedicated but flexible time for programming that will help us rebuild strong community and relationships (e.g. office hours, peer tutoring, club meetings, student-led activities, athletic team meetings, and other programming).
- It is important that we invest time and energy into revitalizing our co-curricular programming, continue to provide structured time for office hours and tutoring, and allow for new programs and activities to grow. **Students are strongly encouraged to remain on campus during community periods.**

# Dress Code

- Students must wear a collared JHS-authorized logowear shirt to school each day.
- Sweatshirts and outerwear may also be worn so long as they are JHS-authorized logowear. This also means any collared shirts, sweatshirts or polos from other Jesuit activities are allowed.
- A non-authorized coat/jacket is allowed, but when it is removed, the student must be wearing a JHS-authorized collared shirt.
- Shorts and pants – chino-style slacks of any solid color are allowed. No cargo-style, patterned, sweats, pajamas or denim are allowed.

3 DIFFERENT OFFICIAL SCHOOL PROVIDERS

# PowerSchool

- The primary purpose of the PowerSchool Grading portal is to provide you and your son with timely and accurate information regarding academic performance and completion of assignments, assessments, and projects. Both students and parents should check the PowerSchool Grading portal weekly to monitor student progress and attendance.
- Parents will access quarter and semester grades via PowerSchool.
- Parents will receive login and access information via email at the beginning of the school year.
- Students should already have their login information.

# Google Classroom

- The primary source for course information is Google Classroom. Only students have access to Google Classroom as this is where course information and assignments are posted.
- If a parent/guardian observes that work is marked as missing in PowerSchool it is appropriate to ask the student to open up Google Classroom to determine the nature and scope of non-completed work.
- Parents do not have direct access to Google Classroom.

# Attendance Information

- If a student is going to be late or absent for any scheduled period of the day including Collaboration periods, it is his responsibility to have his parent or legal guardian notify the attendance office **via the PowerSchool (website) before 9:00am** on each and every day of his absence.
- Early dismissals
- Illness during the school day
- Please visit [www.jesuithighschool.org/attendance](http://www.jesuithighschool.org/attendance) for step-by-step instructions for reporting absences, requesting early dismissals and late arrivals and information about attendance related concerns.

# Textbook Basics

- Many of our required readings are in electronic format and will be accessed through the students device. Until there is more digital content available that fit our needs, we will be using a combination of digital and traditional books for our classes.
- The 13-digit ISBN number provided on the list should be used to locate and purchase a traditional book. **You must verify the ISBN number when purchasing books....it is the only way you can be assured of getting the correct book.**

# The Textbook List

- The textbook list is located at [www.jesuithighschool.org](http://www.jesuithighschool.org)
- Students and families will have the option of a traditional book or digital, if available. Books with that option are noted on the booklist.
- Books are listed by grade level then Department.

# The Textbook List

- Digital content books should be ordered **ASAP** to ensure that they will arrive on time. Publishers can take up to 3-5 days to process your order and email the required access code. Please do not order on the first day of school and expect to have access the same day.
- Some publishers will send the access code for the digital content directly to Jesuit. These books are identified on the booklist and will be distributed directly to the students the first full week of school in class.

# The Textbook List

- To ensure that your book order arrives on time, please check the processing and shipping information provided by the book seller. Processing time does not include shipping time and **can add a minimum of 5-7 business days** to your order.
- Regardless of where you choose to purchase your books, it is the student's responsibility to have his textbooks by the first day of class each semester.
