Release of Liability for Jesuit High School and its Agents and Employees

By signing this Agreement, I understand that "Grad Night" is not a Jesuit High School sponsored event. I understand and agree that the persons who have organized, who will supervise, and who are responsible for transportation for Grad Night are not Agents or Employees of Jesuit High School. By signing this agreement and/or by participating in Grad Night, I agree that in the event I am injured or suffer damage I will not sue or otherwise look to Jesuit High School or any of its Agents or Employees for compensation. I hereby release Jesuit High School and its Agents and Employees from all liability for injury or damage I might suffer, except for any injury or damage caused by fraud, willful misconduct, and/or violation of law. I make this agreement on behalf of myself and my heirs.

Release Of Liability for "Grad Night" and its Agents and Employees

I understand that Grad Night's purpose is to help eliminate some of the risks by attempting to keep teenagers away from drugs and alcohol and off the roads and from behind the wheel of automobiles. Grad Night is a volunteer event staffed by volunteers. Although the event will be supervised by volunteers, I realize that no one can eliminate all risks of injury or damage.

I understand that participating in Grad Night carries with it certain risks that I might be injured or suffer damage. Some of these risks are obviously associated with the gathering and interaction of hundreds of teenagers.

By signing this Agreement and/or by participating in Grad Night, I agree that in the event I am injured or suffer damage I will not sue or otherwise look to Grad Night or any of its Agents, Employees, or Volunteers for compensation for my injuries or damage. I hereby release Grad Night and its Agents, Employees, and Volunteers from all liability for injury or damage I might suffer except any injury or damage caused by fraud, willful misconduct, and/or violation of law. I make this agreement on behalf of myself and my heirs.
