

Student-Parent Interview Schedule

9th Grade Applicant Student-Parent Interviews

The Student-Parent Interview is an integral part of the application procedure. Each student who takes the High School Placement Test is given the opportunity to complete the application process by attending the interview with his parent(s) and discussing with a current faculty member his motivation for attending Jesuit. The interview involves first the student and the interviewer, then the parent(s) are invited to become part of the interview. The total time of the interview will be about fifteen minutes to a half hour.

The philosophy of Jesuit High School is rooted in the belief that we are co-educators with the family and that our mission can only be accomplished with the support and encouragement of the whole family. At Jesuit, we believe that each student who applies is much more than a grade or test score. The interview is our chance to meet each applicant and put a face and a personality to the name and other paper components involved with applying to Jesuit.

The Student-Parent Interviews will be conducted in the Harris Center located off Fair Oaks Blvd and O'Donnell Drive according to the following schedule:
