## Jesuit High School Class of 2014 Highlights

### **Advanced Placement**

531 exams were ordered for 287 students (10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grades) who planned to take AP exams. In the current senior class, 10 students were granted **AP Scholar** recognition, 16 students were awarded **AP Scholar with Honors** and 3 students were designated as an **AP Scholar with Distinction**.

### **National Merit Program**

In the last five years, 12 members of the Classes of 2010-2014 were named National Merit Semi-Finalists and 60 seniors were named Commended Students. The National Hispanic Scholar Recognition Program recognized 16 Jesuit students, and three students were named African-American National Achievement Scholars.

### **College Search and Preparation Related Efforts**

We are fortunate to host visits from college admission representatives on our campus. Typically more than 50 different colleges and universities visit Jesuit High School each year. Often the admission representative visiting our campus is the same person who will be reviewing the students' applications and recommending them for admission to the college or university. Rep visits are a great opportunity for students to learn more about the programs and opportunities available at different schools as well as make a connection with the admission representative.

In addition, Jesuit offers evening events for students and parents to help understand the college admissions process. The Jesuit College Fair, College Fair for Private and Parochial Schools, College Info Night, and the class specific Meet the Counselor Night all provide an opportunity for parents to ask questions and get information to help guide their student through the college admissions process.

Counselors work with students to determine their best options. Students can compare colleges and universities, explore scholarship opportunities and track the status of transcripts and letters of recommendation using Naviance.
