THE SCHOOL

Jesuit High School of Sacramento is a Roman Catholic college preparatory dedicated to forming competent young men into conscientious leaders in compassionate service to others for the greater glory of God. The school's purpose is to serve the young men of the wider Sacramento area, from every ethnic and socio-economic background and a broad spectrum of academic achievement. Enrollment is at capacity and includes a senior class of 227. Traditionally, 98-100% of our graduates go immediately to college, approximately 84% to four-year institutions, approximately 40% to private colleges and universities. Sixty percent of the Jesuit professional and certificated staff hold a Master's Degree or higher.

ACCREDITATION

Jesuit High School of Sacramento is accredited by the Western Association of Schools and Colleges (WASC) and the Western Catholic Education Association (WCEA). The current term of WASC accreditation is six years, through 2020. Jesuit is a member of the College Board, the Jesuit Schools Network (60 high schools in the United States) and the National Association for College Admission Counseling.

COMMUNITY PROFILE

The school's campus straddles the dividing line between the city of Sacramento and the suburban district known as Carmichael. It draws students from more than 70 local elementary and junior high schools. Twenty percent of the student body commutes a distance greater than 20 miles. Nearly 300 students receive tuition assistance and participate in a work-study program. Jesuit has an ethnically diverse student body with a 37% minority population.

GRADE POINT AVERAGE / CLASS RANK

Upon request, the school will report a cumulative grade point average based on all academic work accomplished at Jesuit High School from grade nine onward. A student's decile rank in class can be determined by his regular or honors GPA (for reference, see *Class of 2016* distribution below).
