SENIOR

ENGLISH 4 Electives:

In addition to the summer reading for their elective, each senior is **required** to do a three part project. Parts I and II are generic...and the same for all courses...and may be done immediately. Part III is designed for your specific elective... because you only have to do the reading for the 1st semester English elective, you will have to return to the Jesuit website after you receive your schedule.

MATHEMATICS Department: Summer Assignments 2014

In preparation for the Algebra 2 and Honors Algebra 2 course, it is recommended that Geometry students complete a review packet of Algebra 1 material.

In preparation for the Pre-calculus course, it is recommended that all Algebra 2 students complete a review packet of Algebra 2 material. In addition, those students taking Pre-Calculus Honors are also recommended to complete a review packet of trigonometry.

All review packets for the above listed classes are posted online at www.jesuithighschool.org.

Summer reading assignments will be available on the school website after June 15th at:

www.jesuithighschool.org

PLEASE NOTE: Email Margie.wagner@jesuithighschool.org if you have any questions about what you are required to read. Reading tests will be given on the first class day.
