- * **Seniors are only required to read the book for their 1st semester social studies course during the Summer with the exception of Holocaust. All students enrolled in Holocaust at any time during the 2015 2016 school year must complete the summer assignment by August 23, 2015. See the assignment for instructions.**

MATHEMATICS Department: Summer Assignments 2015

In preparation for the Algebra 2 and Honors Algebra 2 course, it is recommended that Geometry students complete a review packet of Algebra 1 material.

In preparation for the Pre-calculus course, it is recommended that all Algebra 2 students complete a review packet of Algebra 2 material. In addition, those students taking Pre-Calculus Honors are also recommended to complete a review packet of trigonometry. All review packets for the above listed classes are posted online at <http://www.jesuithighschool.org/mathematics-department>.

SENIOR

ENGLISH 4 Electives:

God Bless You, Mr. Rosewater - Kurt Vonnegut

ENGLISH 4(AP):

See website at www.jesuithighschool.org for list of books and assignment.

In addition to the summer reading listed above, each senior is **required** to do an additional assignment. Each student is required to see a "live" theater performance, poetry reading, or concert. You must write a one page summary overview, which includes who performed, what they performed, where it was performed, when it was performed, why you decided to view this performance, and how you rated this performance. Finally, you must staple the ticket receipt or other proof of attendance to the one page summary.

Summer reading assignments will be available on the school website after June 15th at:

www.jesuithighschool.org

PLEASE NOTE: Email Margie.wagner@jesuithighschool.org if you have any questions about what you are required to read. Be prepared for reading tests on the first class day.
