## **CAMP MARAUDER PHILOSOPHY**

The Camp Marauder Summer Program values education and recreation as important foundations for each individual's development. We believe in providing a safe, nurturing, and enjoyable atmosphere where school-age participants can learn, grow, and build friendships through positive experiences. Our program is designed to meet the individual needs of the campers by supporting their emotional, physical, intellectual, and social growth through developmentally appropriate educational and recreation based curriculum. Our goal is for each participant in Camp Marauder to begin to understand what it means to be a part of the Jesuit brotherhood and community, and to create a desire within each one of them to be young men for others.

- Camp Marauder must be given their own supply of medication (in original prescription container). Prescribed medication may be administered by the Program Directors only with a written statement from the physician detailing the method, amount, and time schedules by which the medication is to be taken.
- A written statement from the parent must be included, indicating the parent's authorization and desire that the medication be given as directed by the physician
- Any vitally important medications will be carried by the camper's counselor to keep it near the prescribed if needed.

### **STUDENTS MUST BRING THE FOLLOWING TO CAMP:**

- A swim suit, towel & sunscreen, clearly marked with the student's name. We will swim **everyday** (weather permitting). No one is excused unless they have a **note** from their parent /doctor. Changing facilities are provided at the pool. We encourage all students to wear their swimsuits to camp to save time on changing.

- A lunch (We have a food service on campus that is open during the Camp Marauder program and the menu will be available online at the school website) and a water bottle/jug clearly marked with the camper's name. Hydration is essential before, during and after camp especially with warm summer weather conditions.
- A bag or backpack (labeled with the student's name) to hold these items. We “**strongly**” suggest including a plastic bag to hold wet items such as swimsuit and towel. Damage to books is the student's responsibility.
- Money for other items such as water, milk, etc. Please do not bring more than \$10 on a daily basis, as the items sold at the food service are under \$10
- **School supplies (notebooks, pens, pencils, book) will be provided.** Students will bring all of their bags into the classroom with them. **Please do not bring valuables (such as iPods, iPads, etc) to camp as we cannot guarantee these items against theft. Please no personal toys, trading cards, etc. Students are not allowed to bring personal items to sell during camp (ie. Pokeman cards, baseball cards or the like.)**
- **Homework** will not be assigned and students will be given a written evaluation. We expect the students to remain focused in class, work on their academic skills and enjoy the structured recreation, swim and athletic periods.
- **Dress Code:** Shorts or pants, shirts, tank tops, athletic shoes (necessary for athletic participation.) Some students just wear swim trunks and a t-shirt, so they dry quickly and that is acceptable as well.

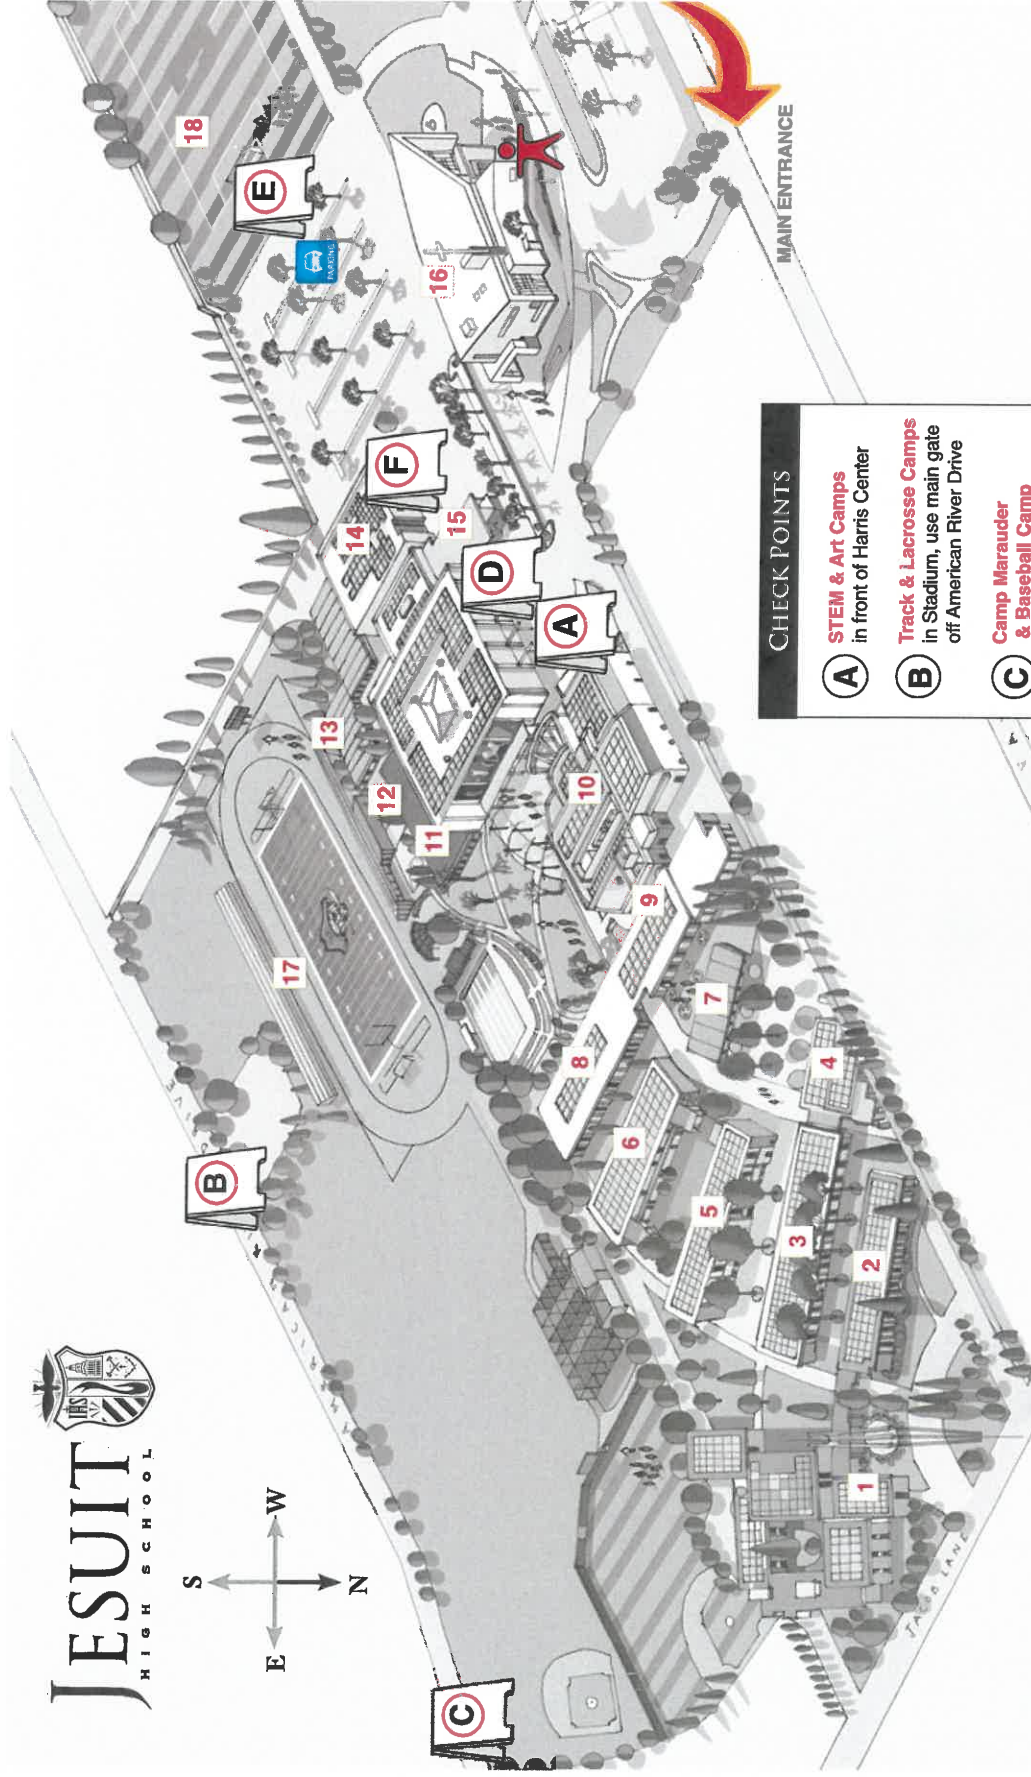

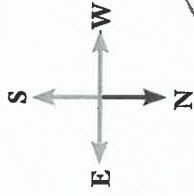

#### **LATE DROP-OFF OF ITEMS**

- All items brought to camp late, and intended to be for use of the camper, should be delivered to the Camp Marauder Office (Harris Center – Music Recital Hall).
- Items to be dropped off include: medication, money, food, clothing, swimming gear, books, etc.
- Directors and Counselors will be notified of the item's arrival, and it will be delivered to the camper at the earliest possible opportunity.
