“ALL THE WELL-BEING OF CHRISTIANITY AND OF THE WHOLE WORLD DEPENDS ON THE PROPER EDUCATION OF YOUTH”

- PEDRO DE RIBADENEIRA, S.J., 1526-1611

## DEAR FRIENDS OF JESUIT HIGH SCHOOL,

On August 6, 2018, I began my service as President. It has been a blessing to return to the school that I love so much and had the honor of serving as Associate Principal 1997-1998 and Principal from 1998-2005.

Jesuit High School has a blessed history. In recognition of our school's past and those who have been stewards of these many blessings, I invited the former Presidents to be with us at the 2018 President's Dinner and Insignis Award ceremony. I am grateful for each of them and all that they have done for the school. (See the photograph on page 28).

Jesuit High School has a bright future. At the core of our mission is to retain the school's Catholic, Jesuit, and inclusive character and to keep this institution viable, sustainable, and accessible for many years to come.

St. Ignatius' first conviction about Jesuit education was that moral excellence was the ultimate goal. Jesuit High School exists to help our students become people of integrity, honesty, respect for all men and women; to be men of virtue, personal responsibility, goodness, kindness, and faith. The formation of a strong character and a strong moral center is more important than ever in our world today.

Above all, it matters who the young men of this school become during and after the four years they spend here.

One of our Seniors wrote the following in his reflection paper, after participating in his Christian Service Immersion experience: “True service to God comes from a rebirth of your own soul into dedication to those less fortunate, and extending a helping hand your entire life, not just when it is convenient.”

It matters most who a young man becomes because of his Jesuit High School experience. This Senior experienced the transformation we hope for in all of our students.

The 2017-2018 Annual Report reflects the generosity of so many wonderful people who support Jesuit High School and our mission to educate and form *Men for Others*. Jesuit is more than just a school; it is a community of people, and I am so grateful for the community we share.

Dag Hammarskjold, Swedish Diplomat, Peacemaker, author, and 2nd Secretary General of the U.N., who died in 1961, spoke a very simple prayer that stays with me as I begin my service as President in the context of the history of this school.

“For all that has been. Thank you. For all that is to come. Yes!”

I like that prayer because it speaks of the gratitude and generosity by which we encourage our students to live.

For all that has been at Jesuit High School, Thank God, and thank you all.

For all that is to come. Yes!

God bless you and your families and God bless Jesuit High School.

With Warmest Regards,

Rev. John P. McGarry, S.J.  
President

# MEN FOR OTHERS

This summer, more than 175 Jesuit rising Seniors and faculty members packed their bags for camps or immersion trips. Students served, learned, accompanied, questioned, reflected, and prayed together at sites as near as Sacramento’s Loaves and Fishes and as far as the Yo’Onik Learning Center in Chiapas, Mexico. Camps and immersions invite and require students to step outside of their comfort zones, commit themselves to the work at hand, prioritize the voices of the most marginalized members of the communities where they serve, and think critically about how, upon return to Sacramento, they can use their own voices to amplify the stories they heard while away.

**Hunter Smith '19** Camp ReCreation

“I was only there for my required service hours: seven days, one-hundred-sixty-eight hours, ten-thousand-eighty minutes, six-hundred-thousand seconds. I thought it was going to be exhausting, excruciating, regrettably unexciting. I thought a lot of things, sitting there with Sarah and her pungent sandwich odor, and as it turned out, I was wrong. Camp wasn’t going to be about any of those things. It was going to be about rebirth.”

**Austin Sutter '19** Camp Lotsafun

“People with disabilities are just as human as anyone else and can be hurt when ignored by the rest of the world. And the rest of the world can be hurt without the presence of the rest of God’s children.”

**Russell Kustic '19** Jerusalem Farm, Kansas City

“For me the underlying theme of immersion was changing my opinions, preconceived notions, biases, and prejudices about groups of people that I have never really interacted with.

In Kansas City we worked with Jerusalem Farm, an organization that practices simple, sustainable living with a focus on human relationships and the seven points of Catholic Social Teaching. We also worked on the houses of people in the community whose homes were at risk of violating strict building codes, but could not afford or manage the work on their own.”

# STUDENT WELL-BEING AT JESUIT

While he is working on projects such as *This Is Us*, *Guardians of the Galaxy Vol. 2*, or *Stranger Things*, Chris Sullivan '98, understands the importance of staying centered and taking care of his mental health.

Sullivan returned to campus on Wednesday, December 5, 2018, or “Hump Day” as his character in the Geico commercial might say, to speak to students about the importance of mental health. Sullivan gave tips to the student body about how to stay mentally sharp and how to continue to be a “*Man for Others*” after graduation.

Among other tips, Sullivan pointed out how he talks to a therapist, exchanges daily text messages with his friends about what they are grateful for, and lives a healthy and active life in order to keep up with his mental well-being.

Sullivan works with a non-profit organization, “To Write Love on Her Arms,” that helps those struggling with depression, anxiety, and a variety of mental health issues. He spoke in depth about how “tomorrow needs you.” Whether it is to hug your mother, help your brother, or spread joy, tomorrow needs you.

## JESUIT DRAMA

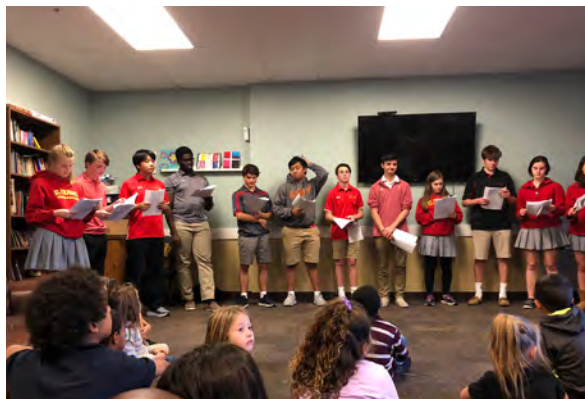

Jesuit Drama's 2018 Fall Play, *The Elephant Man*, played the first two weeks of November to capacity audiences. The cast, crew and staff of more than fifty were very proud to present Bernard Pomerance's Tony-award-winning play about the real-life Joseph Merrick, who was an example of kindness and grace during the turbulent and often mean-spirited climate of Victorian England. Jesuit Drama was glad to host a special BSU student/parent pre-performance reception honoring Senior Obinna Okoye, who played the title role. Coordinated in collaboration with BSU moderator Jordan Brown, the event was a great success. Thanks to the generosity of its Drama patrons, the program was able to purchase much-needed additional backstage changing stations and costume-rack covers, as well as continue to replace outdated lighting fixtures with safer, more energy-efficient ones.

Obinna Okoye '19

“Being in this year’s production as the titular character in *The Elephant Man* was an honor. I am so grateful to have played Joseph (John) Merrick, one of the most loving, caring people that has stepped foot on the earth. He was truly a light in the midst of dark Victorian times. His ability to always see the good in things despite his condition is something I will never forget. The process of putting the show together was very enlightening. The cast and I learned so much about human nature and the world around us through learning about his life through the research we did. I am so thankful for the members of BSU, the Drama patrons, production, staff, and anyone else who came to see the show and support the program.”

## BEYOND THE BLACK BOX

The cast of our 2018 Fall Play, *The Elephant Man*, visited the St. John’s Shelter for Women and Children and shared their company-created presentation “No More Bullying” to a packed room of eager (and enthusiastic!) kids.

Led by 2018-19 Student Reps, Gabe Rogers ‘19 and Erin Tooley, the interactive presentation was well received, and the cast was able to give the children and staff copies of the book *No More Bullying*, as well as individual gift-bags filled with candy, colored pencils, and a small sketchbook.

Inspired by the themes of the fall play, Beyond the Black Box coordinator Cindy Dunning Jakle writes in our fall program:

“This fall we are drawing upon the lessons learned by Joseph Merrick, who was treated more as a creature than a human being, and translating *The Elephant Man* into lessons of acceptance, compassion and kindness. Our students have created a workshop designed for elementary school-aged children utilizing *The No More Bullying Book for Kids* addressing how to recognize bullying, how to stop bullies and how to become “bully proof.”

Jesuit Drama is very grateful to its many Patrons whose support financed this project.

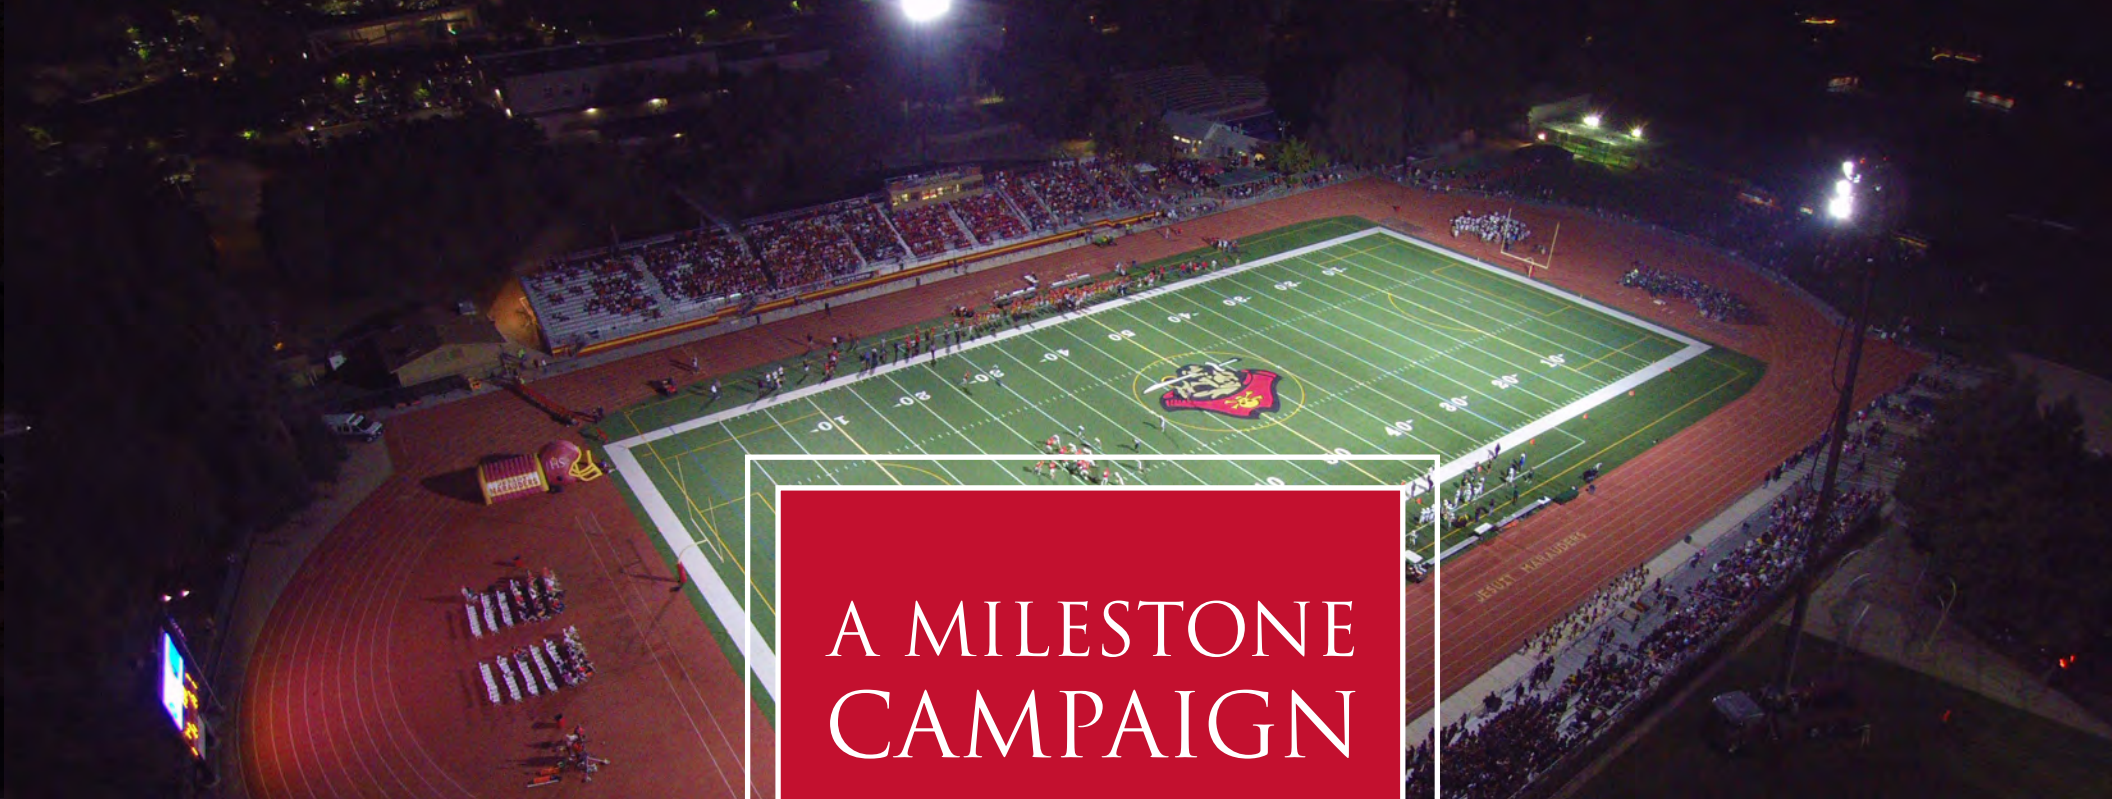

The 2018 Jesuit High School Food Drive, Operation Cratchit, was a huge success. Once again, the students (and faculty) showed a tremendous generous spirit and loaded the trailer with non-perishable food items. With a last minute flurry of donations, our students collected more than 40,000 lbs of food and more than \$2,000 that was donated to the Stanford Settlement. This money will be used to help buy perishable food for their community; 600+ households will receive food from Stanford Settlement.

On December 7, 2018, more than 40 students and 6 faculty members from Jesuit volunteered to help unload the trailer at Stanford Settlement. The boys worked hard with an enthusiasm that filled Stanford Settlement with positive energy and Christmas spirit.

Many people and groups make the food drive successful. But the food drive simply would not exist without Walt Zacharias's generosity. Every year Walt (from Elite Power) donates the trailer and arranges the transporting of the trailer to and from Jesuit High School; he donates food, as well!

Jesuit High School is very grateful to its many generous supporters and all those individuals who worked cold mornings for two straight weeks to make this food drive a success.

# A MILESTONE CAMPAIGN

A notable school does not just appear. It is brought into being by great desires. It is built and grows through the hard work of exceptional faculty, staff and coaches, is invigorated by its students, and nourished by the support of alumni, parents and friends.

Commissioned by the Board of Trustees in 2013, the Milestone Campaign coincided with our 50th Anniversary celebration, and was launched to assure Jesuit's future as a visionary institution that serves its community well. This campaign included renovation of the Hanson McClain Advisors Stadium, creation of state-of-the-art Science Learning Labs and Robotics Workshop, repurposing the King Library into an Information and Technology Commons, and growing our Jesuit Tuition Assistance Endowment.

We are grateful to those who have made the Milestone Campaign a success. Your support helps Jesuit High School to become, more and more, the place imagined long ago.

*Jesuit High School. Since 1963.*

## BARRY GYM RENOVATION PROJECT

Built in 1968, the Fr. Barry, S.J. Gym has served as the focal point of our campus for five decades. In addition to hosting athletic events and PE classes, the Barry Gym is the center of countless memories for our students and alums, their parents and the greater Jesuit community. From freshman interviews, to schoolwide liturgies and the Mother/Son and Father/Son masses, to dances and school assemblies, to the Spring Fling, President's Dinner, PACE Auction and Gala, Boosters Crab Feed and the Loyola Guild Mother/Son Dance, to our student award evenings, Baccalaureate and Graduation, the gym has served as our family room.

Sine initial construction, the Barry Gym has remained largely unchanged, except for flooring updates. And, still without air conditioning, indoor temperatures often rise well above 90 degrees and exceed safety and comfort standards for our students and guests.

### THE TIME HAS COME!

The Jesuit High School Board of Trustees has voted that it is time for a renovation project. Design plans are being created to include air conditioning, flooring, lighting, sound and media technology, general aesthetic improvements and more.

Thanks to those donors who have stepped forward to help launch this much needed project. To learn more about how you can help us renew this time honored building which has served us so well, please contact:

# SCHOLARSHIP LUNCHEON

November 7, 2018 was an amazing day at Jesuit High School as Alumni, Parents - past and present, Faculty, Staff, Jesuits and Friends attended our Inaugural Scholarship Luncheon.

Currently, 30% of our students are receiving \$1.3 million in assistance, but the need is much larger. President, Rev. John P. McGarry, S.J., shared details about the increasing request for financial need from our families. Growing the Tuition Assistance Endowment will be his top strategic priority.

Jeff Phelan '80, our keynote speaker, shared that when his father died during his Freshman year, Father Harris and the Jesuits stepped in to ensure that he received the financial assistance needed to continue at Jesuit. This was a turning point in his life, and he credits this support to helping him become the man, husband and father he is today.

More than \$600,000 was raised at the luncheon for the Scholarship Endowment. Jesuit High School would not be where it is today without the support of our community. The continued generosity of our benefactors makes a difference in the lives of the young men who attend Jesuit, and ensures that all who want to receive a Jesuit education can.

## OUR IGNATIAN PARTNERSHIP CONTINUES

The Jesuit High School Board of Trustees, Administration and Faculty and Staff are honored to partner with parents in the great experience of preparing their sons for their future. In the Spirit of St. Ignatius, we are all committed to keeping a Jesuit High School education as affordable as possible and intentionally choose not to charge the full cost of providing an exceptional Jesuit education for our students. We all work together to support a subsidized tuition model and focus on controlling inflation costs for our families.

With education costs continuing to escalate year after year, the Jesuit High School Annual Fund was established to offset the actual cost of a Jesuit education. Tax-deductible gifts to the Annual Fund help to cover this shortfall in meeting the operating costs of the school each year, including curriculum improvement, co-curricular activities – among them, athletics, campus ministry, Christian service, fine arts – and much more.

### HOW CAN I HELP?

The Annual Fund depends on yearly contributions from alumni, parents – current and alumni – and friends of Jesuit to bridge the “Gap”, which is \$2,500. Many cannot afford to give this “Gap” amount, while others can give in excess of the “Gap” amount. Every gift is greatly appreciated and makes a difference!

Thank you for considering a gift to the Jesuit High School Annual Fund. By making your contribution, you ensure that the mission of Jesuit High School continues.

For more information about your tax deductible gift, please contact:

JOHN SUSAC, NICK SUSAC '80, DAVE WILLIAMS, PHIL BALESTRERI

The friendship of these *Men for Others* began when their children were at St. Ignatius Elementary School.

A couple years ago, in the true spirit of *Men for Others*, John and Nick Susac '80, Dave Williams, and Phil Balestreri came together to save Jesuit's baseball fields after the huge rains wreaked havoc.

John felt that they could do more than just fix what the storms had destroyed and after a conversation with legendary varsity baseball coach, Joe Potulny '76, the Field of Dreams project began!

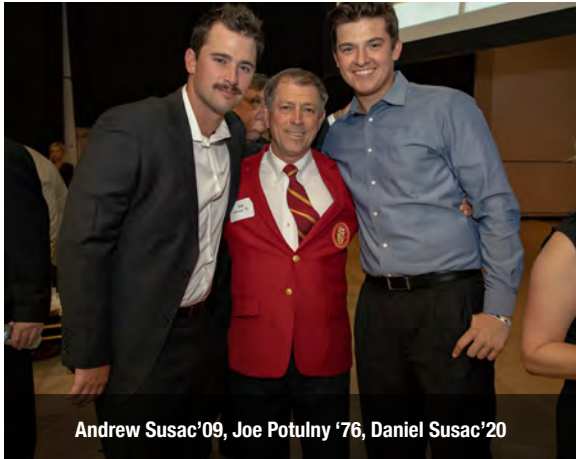

Recognizing that it is a once-in-a-lifetime occurrence when a group of people come together with the expertise and shared passion to take on a project of this magnitude, John Susac also reached out to his brother Nick Susac '80 and childhood friend Phil Balestreri. Since this was a project for which the school had not budgeted, John Susac launched fundraising efforts, reaching out to former players and Jesuit alumni and parents. More than \$200,000 was raised in cash and in-kind donations.

Construction began in August of 2017. A project of this scope is never devoid of challenges. The team called in favors from Jesuit alumni, parents, baseball fans and friends, while crews worked seven days a week to deliver what John Susac calls a "Cadillac field on a Ford budget!"

Looking at the final project, Coach Joe Potulny said: "They nailed it! What a gift to the school. What a beautiful facility."

It is truly the Field of Dreams!

## THE BROTHERHOOD THAT NEVER DIES

Jesuit High School is blessed to have 23 Alumni who have returned to their alma mater as members of the Administration, Faculty and Staff. This fall we had the good fortune to welcome back Lawrence Simon '13 as a faculty member, Kyle Tooley '13 as Director of Alumni Relations, and Matthew Ramos '05 as Director of Admissions.

Lawrence, currently teaching five periods of physics, credits Jesuit as an extremely formative place and fondly remembers that the faculty/staff always welcomed my family as one of their own. "I made a promise to my mom that I'd one day give back to the Jesuit community somehow, especially since we've been given so much by Jesuit, and it's an honor to be doing exactly that as my career." In his spare time, Lawrence is a DJ/Music producer who releases trance music on major record labels.

Highlights of Kyle's time at Jesuit include the Black Box Theatre, which had a huge impact on his life (specifically the production of *Move 2*). He also loved leading Kairos and working with the Senior Retreat Team. Kyle credits his dad, David - class of '87, who inspired him to be a Marauder! "My experience at Jesuit impacted me

Lawrence Simon '13, Kyle Tooley '13, Matthew Ramos '05

more than I could have ever thought possible as a young man entering high school. I learned just as much about who I was as a person and what it truly means to be a 'Man for Others' as I did in the classroom. I loved the idea of educating the whole person so much that I studied at a Jesuit university, where I furthered my growth as a man. The lessons I learned while at Jesuit High School still stick with me each and every day, and I have no doubt that I am a better individual because of that exposure to faith and education."

Matthew's positive experiences of his time as a student at Jesuit, impacted his decision to return: tasting Mr. Novinsky's famous smoked salmon, attending Junior Kairos, learning mathematics and amazing life lessons from Mr. Ferrante, joining Mr. Chandley's love of *Lord of the Rings* and reading each book in lockstep with the movie releases. Matthew loved his time at Jesuit, sharing that he learned how to be a selfless leader, a good

friend, a champion and an artist. "At Jesuit, I learned how to be a better son, brother, friend and future husband, a leader in my community, a selfless *"Man for Others,"* and a positive influence in this crazy and beautiful world we all live in." Welcome back Lawrence, Kyle, and Matthew – it's great to have you back!

# ALUMNI WEEKEND

Jesuit High School was thrilled to welcome back the classes of 1968, '78, '88, '98, and '08 for Alumni Weekend, which took place on October 12-14, 2018. Each of those classes had their own reunion on Saturday night, with other events taking place throughout the weekend for alums of any class that wanted to participate. Over 200 alums joined us throughout the weekend, and each one of them seemed to enjoy the festivities.

“After such a magnificent Alumni Reunion Weekend for the Class of 1968, words cannot adequately thank you for the TLC the staff bestowed upon us. The remarkable transformation of that little school on the bluff serves as proof positive what a small band of committed souls can do for others.”

--Gregory M. Huckabee '68, Associate Professor of Business Law, University of South Dakota.

MEMORIAL  
& TRIBUTE

Memorial and Tribute gifts honor the living, whom others wish to honor, and the deceased, whom friends and family seek to memorialize. Named endowments may be created to provide a permanent tribute. Donors and their intentions are remembered in the Masses and prayers of the Jesuit High School community.

Jesuit High School gratefully acknowledges gifts made between July 1, 2017 to June 30, 2018.

## LEAVING A LEGACY

As we exchange presents during the Christmas season, each gift given and received sparks in us two virtues that make us the most human—love and generosity. These virtues bind us ever more closely to the One who gave us the Greatest Gift at Christmas. And so, as we enjoy another Christmas, let us take a moment to reflect on someone whose life was filled with love and generosity. Someone who is well-known, not just to our Jesuit family, but is well-known to our Catholic community. Someone who lived her life for her God, her family, her church and for the high school on the hill she loved so much—Agnes Anderson.

After living a life devoted to service to her family, her church and to her community, Agnes left us in June to join her beloved Walter in the loving embrace of the God she served so well. Rarely has one so small of stature made such a big impact on the lives of so many. Agnes knew that she was blessed with much in her life. She accepted the blessings of faith, strength, persistence,

intelligence, and generosity with the burning desire to share each with all of us. And so she did.

Look around the campus on your next visit. If you look close enough, everywhere you look you will see Agnes. Not only will you see Agnes in the buildings and our beautiful grounds, you will see her spirit in all that we do. Thousands of boys have grown to become the men we want them to be because of the gifts Agnes gave with love.

No doubt, our world was changed with the Gift given that first Christmas. That first Christmas taught all of us who believe to love and to give. A lesson Agnes learned well. When we give thanks for all of the gifts given and received this year, let us remember and give thanks for Agnes. Let us honor her memory with loving and generous hearts. And with her passing, Agnes continues this support through the planned gift of her home. Her generosity is a legacy that will make a difference for our students long into the future.

# A DREAM COME TRUE

BY DENIRO GOMEZ '19

When visiting Jesuit's campus on my 8th grade shadow day, I was immersed in the day-to-day life the students experienced here. Stereotypes of television shows portraying high school as a dreadful requirement for teenagers were all broken that day. I felt a variety of emotions: love, joy, excitement, etc. However, I knew financial factors would play a part on whether or not I would be able to actually attend this institution. I didn't want the cost of my education to ever feel like a burden on my family's everyday life... and luckily, it wasn't.

My family and I were pleased to receive information that I would be apart of the Jerry Mapes'77 Memorial Scholarship to help assist my way forward through Jesuit High School. To my ears, I heard I would be a part of something greater, a tradition of young boys like myself being helped to turn into successful and caring young men. After these past four years I can say my judgment was correct.

My Freshman year, I was greeted with warmth and openness when I was assigned my Senior big brother, Christian Flores, who mentored me on how to conduct myself as a true "*Man For Others*." He was my first friend at Jesuit,

and we still stay in touch. Over the years, I got involved in areas that I thought would fit my skill set such as Speech and Debate, the Film Making Club, Track and Field, and I even won my first student council election. I built close bonds among classmates, faculty, parents and alumni. I was also given opportunities to comfortably branch out into other areas with our Christian Service and our Drama program, where we raised more than \$20,000 for homeless people in Sacramento from our student-created play "*Isaiah Says*."

However, the one thing I did continually all four years was spread this experience among as many people as possible through Open Houses, Shadow Days, Alumni Calling, and School Visits. I prayed

that other young men would see the passion in my eyes, hear my story, and make a story of their own.

Without your love, your care, and your generosity I would not have turned into the man I am today. The cycle doesn't stop with me, it only begins to restart itself each and every time we open our doors to welcome our new brothers every single year. Where my future takes me is unpredictable, but I know with certainty that it will leave off with me supporting the same cycle that once supported me. Growing the place that gave me my fondest memories of my youth. The same place I will continue to call home.

ON BEHALF OF ALL OF US  
AT JESUIT HIGH SCHOOL  
**THANK YOU!**
