Jesuit High School Counseling Philosophy

*The philosophy of the Jesuit High School Counseling Department is rooted firmly in the Jesuit concept of **cura personalis**, that is, to address the needs of each individual. Therefore, this comprehensive counseling program seeks to meet the personal, academic, college and career needs of our students.*

Grad at Grad

Upon graduation, it is our aim that your son will be:

- *Open to growth*
- *Intellectually competent*
- *Religious*
- *Loving*
- *Committed to doing justice*

COLLEGE ADVISING

Presented By
Gianna Wheeler

What Are Colleges Looking For?

Generally speaking....

- Academic achievement and rigor of coursework:
 - Strongest indicator for success and acceptance
- Extracurricular involvement:
 - Commitment to meaningful activities and developed leadership
- Personal qualities
- Testing (depends on the institution)

Academics: The Transcript

GPA

- GPA by grade level and notable trends
- Cumulative GPA, unweighted and weighted
- Colleges can recalculate GPA in their own way.
- UC/CSU calculates 10th-11th grades only in GPA

Academics: A-G Requirements

- Established by the UC/CSU, but a universal benchmark for most colleges and universities
- To be competitive, you must take courses beyond the minimum requirements
- **JHS graduation requirements meet and exceed A-G's**
- [JHS A-G Approved course list](#)
- Theology courses are now A-G approved!

* Grades of C or better required.

Academics: Scheduling

Spring scheduling meetings (January through March)

- **Step 1: Complete pre-planning course selection & review with family**
 - Course eligibility based on semester 1 grades
- **Step 2: Collaboration meeting to place requests**
 - Prepare before collaboration by discussing rigor, balance, and academic goals as a family
 - Review Course Catalog for descriptions and prerequisites
- **Step 3: Individual meetings to confirm selections**
 - Students have one opportunity to meet and review schedule to ensure on track for graduation progress and college eligibility

Academics: Scheduling

➤ Things to Consider:

- Choose the most challenging courses you can manage.
- Take courses that interest you.
- Ways to exceed requirements: fourth year of math, science, world language. Summer school. Community college courses or online courses for enrichment, AP Capstone Program
- Introducing the [St. Catherine of Bologna Arts Recognition Program](#)

➤ Grade Level Scheduling Collaborations & Student Meetings

- Juniors: January 15 (A) / January 22 (B)
- Freshmen: February 5 (A) / February 12 (B)
- Sophomores: February 26 (A) / March 4 (B)

Qualities that Matter Beyond the GPA

- Curiosity
- Persistence
- Risk-taking:
stepping out of
comfort zone
- **Social
consciousness**
- **Compassion**
- **Service to
others**
- Special talents
and abilities
- Leadership
- **Initiative**

**See Grad at Grad*

Extracurricular Involvement

- Examples:
 - Service, Campus Ministry, athletics, clubs, entrepreneurship, research, student council, job, newspaper, Scouts, VPA, hobbies, family responsibilities
- Tips:
 - **Show commitment, progression, leadership when possible**
 - Focus on quality not quantity
 - Keep Naviance resume up to date. This helps with applications and letters of recommendations.
- Summer Opportunities:
 - **Service:** JHS Immersions, service projects, in your own community
 - **Academics:** Community college classes, summer school for advancement or remediation, pre-college programs
 - **Career exploration:** Job shadow, find a job, internship
 - **Experiences:** Practice a hobby, be creative, try something new, entrepreneurship, travel

College Testing

- Test policy terms:
 - Test optional, test free, test blind, test required, test preferred
 - UC/CSU are test blind
 - Testing policies are changing all the time - it is the student responsibility to understand the requirements
- We recommend taking the SAT or ACT at least once
 - Keep opportunities open
 - Be eligible for scholarships

Test Preparation Timeline for Juniors

- **OFFICIAL TESTS: Juniors, register now for 2025 Spring and Summer dates!**
 - [ACT](#)
 - [SAT - College Board](#)
 - “School” day testing for Juniors ONLY on April 17 (email to register coming soon) - **Since this test date is specific to Jesuit High School students, this test date will not be available through the College Board website; registrations will be facilitated directly through Jesuit.**

- **A Few Examples of Test Prep**
 - SAT Practice: Khan Academy
 - ACT Practice: ACT Academy
 - SAT and ACT Practice: Revolution Prep (costs associated)

Prospective College Athletes

- Set goals, but prioritize academics. Prepare a back up plan.
- **Register with the NCAA Eligibility Center** if you hope to play Division I, II or III sports as soon as you know you are interested.
 - Option 1 *Free Profile Page Account*
 - Option 2 *Amateurism Only Certification Account (DIII) \$70 fee*
 - Option 3 *Academic & Amateurism Certification Account (DI & II) \$100 fee*
- **Request a transcript on the JHS website** to be uploaded after your 10th, 11th, AND 12th (final) grade years.

COLLEGE SEARCH

Presented By
Sara Alvarez

The College Search Process

1. **Explore** what is important to your student

2. Use college **search** tools and experiences

3. **Build** college list

When Researching a College...

➤ Things TO consider:

- major, location/distance from home, housing, support services, public/private, campus life and culture, price, student's values, avg. GPA, test scores, financial commitment

➤ Things NOT to focus on:

- name recognition, ranking, where friends are going, where family members attended

“Leveraging what’s available to you at the university is [sometimes] more important than the name itself”

A *Good* College Fit

- Is in the **location/environment** your student wants
- Offers the **academics** they are interested in
- Offers the **internships, research opportunities, career placement** they need
- Offers **activities** they are interested in
- Is **affordable** for your family
- Is a place that will both **challenge and support** your student
- Is not necessarily in the rankings, where you went, or one you've heard of

Building College List

It is critical to create a **balanced** list. This will look different for **every** student!

REACH	<ul style="list-style-type: none">• Academically challenging.• Selective admissions. 1-35% acceptance rate.• Potentially high cost of attendance.
TARGET	<ul style="list-style-type: none">• You are likely to be admitted based on your academic profile. 35-75% acceptance rate.• You would be happy to attend that college.• You would not be financially overwhelmed.
PROBABLE/LIKELY	<ul style="list-style-type: none">• You are almost certain to be admitted. 75-99% acceptance rate.• You would be happy to attend that college.• Affordable.

- **Yes**, I could be accepted to this college
- **Yes**, I could afford attending this college
- **Yes**, I would be happy attending this college

APPLICATIONS

Presented By
Jennifer Rasmussen

Types of Applications

The main types of applications students will use are:

- California State University Application
- University of California Application
- Common Application
- California Community College Application
- Common Black College Application
- Military Academy Application
- Direct Institution Application

California State University (CSU)

- One application for all **23 campuses** (pay \$70 fee for each campus)
- Filing period open October 1; *submission window October 1 - November 30*
 - First-time freshmen must meet the eligibility requirements: be a high school graduate or equivalent; complete the 15-unit comprehensive “a-g” pattern of college preparatory course; and earn a qualifying “a-g” grade point average of a 2.5 or greater (GPA).
 - The California State University (CSU) **no longer uses ACT or SAT examinations** in determining admission eligibility for all CSU campuses. **No essay, activities or letters of recommendation.** [Freshman: Planning for College | CSU](#)
 - Typically “hands on” and preparing students for careers. [Cal State Apply | CSU](#)

University of California (UC)

- One application for all **9 campuses** (pay \$80 fee for each campus)
- Filing period opens August 1; *submission window October 1 - November 30*
 - Admission is based on 13 factors which are weighted differently for all 9 campuses. [How applications are reviewed | UC Admissions](#)
 - 4 Insight questions; Activities & awards section; no letters of recommendation
 - Minimum weighted GPA is 3.0 in “a-g” courses. (10th-11th grades)
 - **UC will not consider SAT or ACT test scores** when making admissions decisions or awarding scholarships.
 - Known as being well-regarded, selective, research-oriented colleges. [UC Admissions](#)

Common Application

- The Common Application is a centralized system which students can apply to **more than 1,100 colleges**. Counselors will make an account with all juniors in their spring collaboration. Cost varies from free to \$90 *per college*.
 - [Common App](#)
- “Comprehensive” review - *Five page application* - Personal info, High School Transcript, Extracurricular Activities, Main essay of 650 words (student picks a prompt), Letters of recommendation, Supplemental Essay(s) for (each) college.
[2024-2025 Common App Essay Prompts](#)
- Application is open for juniors to begin now (except for essay/questions). The application submission begins as early as August 2025
 - **Deadlines vary for each college using the application and can be as early as October 15**
- Highly Recommended For Students To Work On Essays Over The Summer!

California Community College

“Provides students with life-changing opportunities and a clear path to goals.”

- Cost effective education: **California College Promise Program offers free tuition for 2 years** (for full-time students).
 - [Los Rios Promise Program](#)
- Good place to build your academic credentials to get into a more selective college. TAG Agreements offer guaranteed admission to a variety of four-year colleges. [Transfer Admission Guarantee \(TAG\) | Los Rios Community College District](#)
- Good place if you are not ready academically or socially for the four year experience or moving away from home.
- Application timeline is the same as four year colleges. [Get Started and Apply | Los Rios Community College District](#)

Military Academy Applications

- **STEPS TO TAKE:** Candidate Questionnaire to qualify (located on the website of academy); Field Force representative interview; Apply for nomination house.gov; Dept. of Defense Medical Examination; Fitness Assessment; SAT/ACT Test; Counselor Recommendation.
- [U.S. Naval Academy](#) (USNA) at Annapolis, Maryland
 - [U.S. Military Academy](#) (USMA), or West Point at West Point, New York
 - [U.S. Air Force Academy](#) (USAFA) at Colorado Springs, Colorado
 - [U.S. Merchant Marine Academy](#) (USMMA) at Kings Point, New York
 - [U.S. Coast Guard Academy](#) (USCGA) at New London, Connecticut (No nomination)

Participating in a Military Service Academy's Summer Seminar or summer program is an excellent opportunity for students who are interested in pursuing a career in our nation's armed forces. These programs can serve as a first step:

[Summer Leaders Experience | United States Military Academy West Point](#)

[Summer Seminar: Admissions: USNA](#)

[High School Summer Seminar Program | U.S. Air Force Academy](#)

[AIM - United States Coast Guard Academy](#)

Direct Institution Applications

- **Direct Institution Applications** refers to colleges that are *not* a member to a centralized application system. Students will apply directly to the college website. Some of these schools are: MIT; Georgetown University; Loyola University Chicago; BYU; Boise State; Northern Arizona University and others.
 - Just when you weren't confused enough, many colleges USE a Direct Institution Application OR the Common Application! In some cases, it's easier to apply by Direct Institution App because it is shorter and may not have a required essay.

Components of an Application

- **Personal Information:** Student and Parent(s) Information
- **Extracurricular Activities:** Clubs, sports, service, employment, research, outside learning
- **Awards and Recognition:** How has the student been recognized?
- **Transcript:** Tells the student's academic story - grades; course rigor; GPA trends
- **Essay/Writing Sample:** Provides opportunity for student to present a side of him that the rest of the application doesn't show. Gives the student a place to talk to his transcript.
- **Letters of Recommendation:** Counselor and Teacher letters illuminate a student's personal and intellectual qualities.
 - **Parents and Students must complete their Brag Sheets on Naviance during the summer of Junior year and no later than September 1 senior year.**

PAYING FOR COLLEGE

Presented By
Angela Harger

Planning how to finance a degree has become a **prominent** part of the college application process. It is important to start these conversations with your student early in the process.

Merit vs Need-Based Aid

- **Scholarships** are typically based on “**merit**”
 - Academic, fine arts, athletic, leadership qualities
 - Awarded by colleges and universities, organizations, businesses, clubs
 - Requirements for renewal
- **Grants** are typically based on “**need**”
 - Awarded based on family income and assets
 - Meant to help make college affordable for all
 - Evaluated each year
 - Based on FAFSA and CSS Profile

Scholarships

- Largest amount of money usually comes from the colleges in the form of merit based scholarships
- Outside/Private scholarships are posted in the student's Counseling and College Planning Google Classroom as well as available in the new Parent Portal
- Recommendation is to start local
- Websites such as FastWeb, Scholarships.com, Going Merry, and many others
- May be stackable

Western Undergraduate Exchange (WUE)

- Agreement between 14 Western States to offer *reduced out-of-state tuition* for their public schools to residents of member states. Minimum GPA and ACT/SAT test scores vary per college.
- Reduced tuition of up to 150% of institution's regular resident tuition. Tuition (only) can be as low as \$7-8k per semester for WUE members.
- Not all schools and programs participate. Here is a great search tool:
 - [WUE Savings Finder - WICHE](#)
- Popular WUE schools for JHS students include: UNR, Boise State, University of Utah, Southern Oregon University, and more.

Financial Aid Forms

- **FAFSA** application (usually) opens October 1 ([Federal Student Aid](#))
 - Every family should file a FAFSA regardless of total income; most institutions use the FAFSA for institutional need-based aid, merit scholarships and needed for the Promise Program at our Community Colleges
 - Use the prior, prior year tax information (ex. Tax Filing 2024)
 - Cash for College Workshops [Cash for College](#)

- **CSS Profile** opens October 1
 - Many private universities will require applicants to fill out a CSS profile for non-federal financial aid
 - Access the CSS Profile through College Board ([CSS Profile](#))

The FAFSA Changed in 2023

- There are fewer questions.
- Each person is called a “contributor”.
- The formula to calculate the Student Aid Index (SAI) is not the same as the old Expected Family Contribution (EFC).
- We will host an in-depth Financial Aid presentation in the fall of your son’s senior year.

Net Price

Net Price is the amount that a student pays to attend an institution in a single academic year AFTER subtracting scholarships and grants the student receives. Focus on the NET PRICE not the STICKER PRICE.
