WELCOME

"All the well-being of Christianity and of the whole world depends on the proper education of youth."

—Pedro Ribadeneira, S.J.

Dear Friends of Jesuit High School:

Tonight's auction, "The Starlit Soiree," is a testament to so much that makes the Jesuit High School community special. The room tonight is full of the spirit of dedication, partnership, and generosity, three things you will find in abundance when you walk the Jesuit campus any day of the week (or weekend)!

Just a few days after last year's auction, our co-chairs, Ariana Henderson (Xavier '28) and Stephenie Shah (Palmer '28) started working tirelessly with the planning committee and Advancement office staff to orchestrate tonight's event. It takes that kind of long-range vision, commitment, and dedication to realize such an ambitious event.

Let me also extend my heartfelt thanks to the Jesuit High School staff in the offices of Advancement and Communications: Kim Kalmbach, Liz Henning, Allison Hoferer, Jennifer Obioha, Josh Rojas '00, Paul Le Boeuf, Elizabeth Sands, Ginny Clemmens, Hannah Frech, and Emily Garcia. These good people have worked hard to keep us all up to date and to make sure that the auction is fun and successful! We are also very grateful for the sixty sponsors and over 200 auction volunteers. All of their names are listed in this program.

At Jesuit High School Sacramento, we seek to form the whole person –mind, body, soul, and spirit– and that doesn't happen without your generous support. Over the decades, we have worked to help our students continue on their journey to be the people that God created them and calls them to be: Men for and with Others. We are so proud of our students and our alumni, and we are grateful to God for them.

Over the last 54 years, the Jesuit Auction has raised more than \$19 million. Thank you to all who have donated time, talent, and exceptional treasures for tonight's silent and live auction. Thank you to all of you in attendance tonight; your generosity will help Jesuit continue to positively impact the lives of our students and their families.

I hope you take advantage of this opportunity to enjoy one another's company, expand our community, and please bid generously to support our students, faculty, and staff. Your continued support inspires us in this work and helps us continue to make an exceptional Jesuit education accessible to our students and families.

Sincerely,

Chris Alling

A better world starts with the best people.

Jesuit High School knows that helping others is hard work. Yet that's their life's passion. They sacrifice their time and talents to support the greater good and to make an impact on our entire community.

Morgan Stanley salutes you. Your actions make our world a better place.

Thank you to the fantastic coaches of the Jesuit Robotics Team, Rovotics, for your unwavering support, selflessness, and devotion to educating Jesuit students as our future engineers, innovators, and inventors. Your guidance, dedication, and endless hours inspire every team member, shaping tomorrow's world.

We are grateful for and honor your efforts to help develop men for others as they work on real-world issues affecting our planet, oceans, and other waterways. The community and culture you have created - focusing on teamwork, respect for others and their ideas, and the environment - are second to none.

Jennifer O'Brien Cooley and Sean Cooley, Rena and Bill Zellars of Zellars Concrete, and the fellow Parents of the Robotics Team members.
