

PERFORMING ARTS

All students are required to complete two semesters of Visual & Performing Arts (VPA) in the same subject area. The VPA program at Jesuit High School seeks to develop and cultivate the creative imagination of each of our students, who then bear witness to the beauty and imagination of God alive in our world. The Arts teach our students to be creative, collaborative, compassionate and confident – skills that will serve them in all lifelong endeavors. The Arts provide a platform for dialogue when all other discourse fails, and serve as a vehicle for social change.

Course offerings

Jesuit offers exciting performing arts courses in:

- Jazz Band
