Responsible Practices Begin Here

>REDUCE<

Kick the can!!

Choose a self-serve beverage, instead of purchasing a drink in a can or plastic bottle. You'll help reduce resources and energy used for packaging and shipping.

>REUSE<

Bring your own cup, container, and utensils for to-go food & drink. Keep them in your desk or locker.

>RECYCLE<

By composting your food waste, you'll reduce our reliance on toxic chemical fertilizers and pesticides. Please use our café recycle bins.
