ST. CATHERINE OF BOLOGNA RECOGNIZED ARTISTS

The Recognized Artists Program at Jesuit High School, named for St. Catherine of Bologna, the Patron Saint of the Arts, honors students who demonstrate dedication and excellence in the arts. Recognized Artists are students who go above and beyond Jesuit High School's curricular requirements and strive for greater artistic depth as they cultivate their God-given talents. Since the inception of Ignatian education, the arts have figured prominently. St. Ignatius tells us that "all things are gifts from God, given to us so that we can know God more easily and make a return of love more readily." Our Recognized Artists demonstrate the magis by using their gifts out of gratitude for God's creation and in service to the Jesuit High School community. In recognition of this achievement, students will receive a black and white cord to wear at commencement.

Students interested in becoming a Recognized Artist should complete the Google interest form. (This form is not public—it can only be accessed by students logged into their school accounts.)
