

Parent/Guardian Release for Medication in School

Instructions:

In order for a student to receive a prescription medication at school or during school related activities, the following criteria must be met:

- A new form must be completed each school year for each medication. A new form must also be completed whenever there is a change in the medication: name, form (tablet, capsule, liquid), dose (amount), or time given. If there are no changes, each form is good for one school year.
 - Non-prescription medications **may not** be held for distribution.
 - All medication must be in the original container and must have a current prescription label attached.
