

CASHLESS Online Pre-Order System for school meals

Dear parents and students:

Welcome to Online Ordering! Epicurean Group hopes you will enjoy our menus and food selections. We know that tasty and nutritious food can help boost concentration and morale, too, which is crucial for well-being! Our meals are packaged and labeled according to HACCP standards, in compostable packaging. Our primary concern is the health and well-being of the students, campus community and employees.

Epicurean Group requests your support in going fully online for meal ordering this school year. We are implementing a new, easier to use, CASHLESS online ordering system that will allow you to pre-order meals for your student. The weekly lunch order deadline is Thursday at midnight for the following week. **With on-campus classes beginning on October 20, we will need your student's orders for that week placed by midnight on October 15. Please note: At this time, Epicurean will not be able to provide meals that have not been pre-ordered, and cash will not be accepted.**

Get Started Today:

1. Go to myschoolbucks.com.
2. If you are new to MySchoolBucks, create your free account, then add your students using their legal name and date of birth (you won't need to know their student ID number). For existing users, continue to use the same account as last year.
3. View meals on our online store for Jesuit High School and choose from our varied menu options. **A friendly reminder: Students are on campus only two days per week in the hybrid schedule starting Oct. 20.**
4. Select the items you wish to purchase – pay now with your credit card, or have it deducted from your student's account (account charges are processed every Friday for the following week).
5. Add the meals to your basket.
6. Check out and pay with your credit card, E-check, or by deduction from your account – make sure you have enough money to cover your purchase!
7. Meals will be available for pick up at a grade-level designated site (this will be assigned by Jesuit High School).

This online option eliminates physical cash and check handling that would typically happen in the café serving line. It will also allow us to ensure that your child's meal is ready at their designated pickup location (Jesuit will assign locations by grade level).

If you need assistance with your account, you can find helpful how-to videos and answers to commonly asked questions by visiting myschoolbucks.com or by logging into your account to start a chat conversation. You may also call them at (855) 832-5226.

Thank you,

Epicurean Group at Jesuit High School
