<p>Community time (indicated by "Comm" on the calendar) is dedicated time for student use and takes place on Tuesdays and Thursdays from 1:55–3:00pm. Unless absolutely necessary, we ask that parents not pick up students until 3:00 to promote the use of this time. Students may choose from a variety of academic supports, co-curricular activities, and wellness offerings.</p> <p>A parent or legal guardian may submit a request for early dismissal by calling the attendance line (916-480-2135) and leaving a message by 9am on the day of their son's early dismissal. Collaboration Periods

- Most Wednesdays begin with a Collaboration Period (Collab) which runs from 8:20am to 9:25am. In this case, first class begins at 9:35am.
- Students are required to attend all Collaboration Periods scheduled for their year level. If a student will be absent from a Collaboration Period, all of the school's normal attendance policies apply.
- If a student's year level is not involved in a particular date's Collaboration Period, he can arrive before the day's first class period (9:35am), schedule personal off campus appointments, or use defined areas of campus (e.g. Harris Center and the King Library).

If a student's year-level is scheduled for a Collaboration Period meeting on a given day, his presence is mandatory and attendance will be taken. If a student will be absent from a required Collaboration Period, all of the school's normal attendance policies apply.

Students not scheduled for a Collaboration Period meeting on a given day are welcome to do any of the following:

- Sleep in and arrive in time for the first class period of the day (9:35 a.m.)
- Use the following areas of campus: Harris Center, King Library, student quads
- Schedule personal off-campus appointments. Families are **strongly encouraged** to schedule all appointments (e.g. doctor, dentist, etc.) during open Collaboration Periods.
- On days listed with (HR), students must report to their Homeroom by 8:20 a.m.
- Counseling groups are divided into A and B groups. Students have received an email noting which group they are in.

Community Periods

- The Community Period (Comm) is intended to provide dedicated but flexible time for programming that will help us rebuild strong community and relationships (e.g. office hours, peer tutoring, club meetings, student-led activities, athletic team meetings, and other programming).
- It is important that we invest time and energy into revitalizing our co-curricular programming, continue to provide structured time for office hours and tutoring, and allow for new programs and activities to grow.

Dress Code

- Students must wear a collared JHS-authorized logowear shirt to school each day.
- Sweatshirts and outerwear may also be worn so long as they are JHS-authorized logowear. This also means any collared shirts, sweatshirts or polos from other Jesuit activities are allowed.
- A non-authorized coat/jacket is allowed, but when it is removed, the student must be wearing a JHS-authorized collared shirt.
- Shorts and pants – chino-style slacks of any solid color are allowed. No cargo-style, patterned, sweats, pajamas or denim are allowed.

PowerSchool

- The primary purpose of the PowerSchool Grading portal is to provide you and your son with timely and accurate information regarding academic performance and completion of assignments, assessments, and projects. Both students and parents should check the PowerSchool Grading portal weekly to monitor student progress and attendance.
- Parents will access quarter and semester grades via PowerSchool.
- Parents will receive login and access information via email at the beginning of the school year.
- Students should already have their login information.

Google Classroom

- The primary source for course information is Google Classroom. Only students have access to Google Classroom as this is where course information and assignments are posted.
- If a parent/guardian observes that work is marked as missing in PowerSchool it is appropriate to ask the student to open up Google Classroom to determine the nature and scope of non-completed work.
- Parents do not have direct access to Google Classroom.

Attendance Information

If your student is absent:

- If a student is going to be late or absent for any scheduled period of the day including Collaboration periods, it is his responsibility to have his parent or legal guardian notify the attendance recorder by phone (916.480.2135) before 9:00am on each and every day of his absence. Voice mail is available for early morning calls.

Attendance Information

If your student needs to leave early for a doctor's appointment:

- A parent or legal guardian may submit a request for early dismissal by calling the attendance line (916-480-2135) and leaving a message by 9:00am on the day of their student's early dismissal. After the parent has left a message on the attendance line, he/she should direct their student to report to the Dean's Office before school or at lunch to be issued an Early Dismissal slip and have his name included on the Early Dismissal list.

Textbook Basics

- Many of our required readings are in electronic format and will be accessed through the students device. Until there are more ebooks available that fit our needs, we will be using a combination of ebooks and traditional books for our classes.
- The 13-digit ISBN number provided on the list should be used to locate and purchase a traditional book. **You must verify the ISBN number when purchasing books....it is the only way you can be assured of getting the correct book.**

The Textbook List

- The textbook list is located at www.jesuithighschool.org
- Books are listed by grade level then Department.
- Web Access books should be ordered **ASAP** to ensure that they will arrive on time. Publishers can take up to 3-5 days to process your order and email the required access code. Please do not order on the first day of school and expect to have access the same day.
- Some publishers will send the access code directly to Jesuit. These books are identified on the booklist and will be distributed directly to the students the first full week of school via their school email.

The Textbook List

- Students and families will have the option of a traditional book or an ebook, if available.
- To ensure that your book order arrives on time, please check the processing and shipping information provided by the book seller. Processing time does not include shipping time and **can add a minimum of 5-7 business days** to your order.
- Regardless of where you choose to purchase your books, it is the student's responsibility to have his textbooks by the first day of class each semester.
