GRADE POINT AVERAGE / CLASS RANK

Upon request, the school will report a cumulative grade point average based on all academic work accomplished at Jesuit High School from grade nine onward. Courses taken outside Jesuit High School are reported on the transcript but not calculated in the GPA. This GPA will be given on either a traditional 4-point scale or a weighted honors scale (additional grade point for each AP, Honors, or XL class). We do not compute student rank.

GRADES: SCALES AND VALUES

Grades aid students in determining their individual strengths and weaknesses; they may also be incentives to greater academic growth. Academic grades are not directly dependent upon behavior and are never lowered for disciplinary reasons. Letter grades are not given for citizenship.

Teachers may assign pluses (+) and minuses (-) at their discretion within each grade range. For the regular GPA, Jesuit uses a non-weighted 4.0 grade system as defined below:

A+ 4.3	A 4.0	A- 3.7	F (no credit given)
B+ 3.3	B 3.0	B- 2.7	
C+ 2.3	C 2.0	C- 1.7	
D+ 1.3	D 1.0	D- 0.7	

Regular GPAs cannot exceed 4.0. Jesuit also uses a fully weighted grade system to calculate an "Honors" GPA. In this system, all courses designated "Advanced Placement" (AP), "Accelerated" (XL), or "Honors" (H) are given an additional grade point for the purpose of determining a student's "Honors" GPA. No additional grade point is given for a "D" or an "F." A letter grade of "D" is considered passing.
