

2026 Summer School Required Textbook / Materials List

Please look for the title of the course your student is registered for and locate the book(s) required for that course. Please plan to purchase or rent these materials. As indicated below, some classes will require an e-book where the student will need to have a tablet or laptop (not a smart phone) with the textbook purchased and downloaded for use in class. Students are required to have these materials in class on the first day of instruction. Other classes may require a traditional (paper) textbook. **Please search by the ISBN number listed in parenthesis to make sure that you have the correct book. A good place to start to search for textbooks online is www.isbn.nu and amazon.com**

MATHEMATICS

ALGEBRA 1 (Full Year Course)

Holt McDougal Algebra 1: Student Edition 2012 (978-0547647036)
